

UNITED STATES GOVERNMENT PRINTING OFFICE  
DIVISION OF PUBLIC DOCUMENTS

WASHINGTON 25, D. C.

GPO Declassification/Release Instructions on File

Dear Sir:

The Division of Public Documents publishes each month a catalog of United States Government publications as required by law. This is the official record of all United States Government publications issued by the various departments, bureaus, and agencies of the Government including Congress. It is sold to over 15,000 subscribers and distributed officially to over 600 depository libraries and foreign exchange recipients.

In order that it will be complete, Title 44, Section 76 of the United States Code, and regulations of the Joint Committee on Printing of July 15, 1937 require that each department, bureau and agency furnish to the Superintendent of Documents one copy of each publication issued including those produced by mimeograph, multilith, etc. providing they are not confidential in nature or administrative in character.

We accordingly request that you furnish us one copy of the publication listed below which we have failed to receive:

Description of Publication:

*The Role of Coal in Soviet Machine Building and the Economy of Communist China, 1958-62.*

Please put this Office on your Mailing list for all future issues, as well as other material issued by your Office which you are not now sending us.

PLEASE CHECK AND FILL IN THE APPROPRIATE STATEMENTS BELOW in order that we can correctly list this publication in our Catalog.

- ☐ Issued (monthly, annually, irregularly, etc.) ☐ "one time"  
☐ Available to the public upon request. ☐ Free. ☐ At a price of \_\_\_\_\_  
☐ Official use only. No copies available to the public.  
☐ Administrative use only. Should not be listed in the Monthly Catalog.

RETURN THIS FORM LETTER WITH THE PUBLICATION TO:

Library, Division of Public Documents  
U. S. Government Printing Office

Your prompt attention in this matter will be greatly appreciated.

Sincerely,

*Carper W. Buckley*
